Dear Parents/Carers,

Article 31 every child has the right to relax, play and take part in a wide range of cultural and artistic activities

Please be advised that, as we could only pay and book the session once parent contributions had been received this has resulted in a delay in payment. We have had to rearrange the date of our upcoming school trip to **The Science Museum.**

The trip will now take place on **Tuesday 3rd November**. We apologise for any inconvenience this change may cause and thank you for your understanding and continued support.

Due to the change of date, we have **1 parent volunteer space available.** Please speak to me if you would like to attend. The space will be given on a first come, first serve basis.

Thank you again for your understanding in the matter.

Health and Safety

The safety of all children is our priority. Please remind your child to walk sensibly, stay with their group and follow adult instructions carefully throughout the visit.

If we have any serious concerns about a child's ability to take part safely, we will speak with parents/carers beforehand and consider what support or reasonable adjustments may be needed. In exceptional circumstances, if we are not confident that the risks can be safely managed, a child may not be able to attend the visit.

Yours faithfully,

Miss Foster
