Dear Parents/Carers,

Article 31 every child has the right to relax, play and take part in a wide range of cultural and artistic activities

A visit to **Benjamin Franklin's House** has been arranged for **Turtles Class** Year 6 on **Tuesday 3rd November** to **support learning in science** this term. They will take part in a workshop to learn about the discovery of electricity.

We will be leaving school at **12pm** and returning by **3pm**. We will be travelling by **tube.**

There is no cost for this trip.

If your child normally has **a school meal** then they will be provided with **a school packed lunch** on the day of the trip. If your child normally brings their own packed lunch to school then please provide this as normal.

Health and Safety

The safety of all children is our priority. Please remind your child to walk sensibly, stay with their group and follow adult instructions carefully throughout the visit.

If we have any serious concerns about a child's ability to take part safely, we will speak with parents/carers beforehand and consider what support or reasonable adjustments may be needed. In exceptional circumstances, if we are not confident that the risks can be safely managed, a child may not be able to attend the visit.

Adult supervision will be provided in accordance with our Health and Safety Policy.

We have **five places for adult volunteers** on this trip. If you would like to volunteer to help, please indicate this on the form below. Places will be allocated on a first-come, first-served basis.

Yours faithfully,

Miss Miller

Year 6 Class Teacher
